Forecast For The United Kingdom
Issued by Met Office Exeter
at 0400 on Friday 03 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells developing today, but staying cloud for some.

Today:
Fairly cloudy to begin with for many but bright or sunny spells will develop in some areas. Best of the sunshine western Scotland and parts of southern England. Staying cloudy for some, especially in the east.

Tonight:
Turning rather cloudy again overnight, cloud thick enough for a little patchy drizzle in the east. Probably a few fog patches in clearer western parts.

Saturday:
Fairly cloudy for many, especially during the morning. Bright or sunny intervals developing for some though, best of these in the south. Most areas staying dry.

Outlook for Sunday to Tuesday:
Some rain for northern, perhaps central parts on Sunday but for many it will remain dry throughout with plenty of sunshine. Becoming increasingly warm, locally hot.
